Pre-K Fees & Payment Policies:

The payment fee for ½ day Pre-K for 2 days a week is \$125.00 per month plus a onetime curriculum fee of \$50 due in July. A non-refundable deposit of \$125.00 is due upon enrollment. Eight more payments are collected for the months of September through April. There are no payments in August or May. Payment are due by bank draft and are on the 1st day of each month for the upcoming month. Insufficient funds will result in risk of losing the slot and openings will be filled with a child on the waiting list. If you want to withdraw your student, two weeks notice is required or any potential refund will be forfeited.

I understand the payment policy and am enrolling my child for the 2021-22 school year.
