Pre-K Fees & Payment Policies

The payment fee for half-day Pre-K for four days a week is \$260 per month plus a one-time curriculum fee of \$100 due in September. A non-refundable deposit of \$260 is due upon enrollment. Eight more payments are collected for the months of September through April. There are no payments in August or May. Payments are due by bank draft on the first day of each month for the upcoming month. Insufficient funds will result in risk of losing the slot and openings will be filled with a child on the waiting list. If you want to withdraw your student, a two-week notice in writing is required or any potential refund will be forfeited. Paid Students are not eligible for busing.

I understand the payment policy and am enrolling my child for the 2023-24 school year.
