

Dear Parents:

Planning for the 2020 Maize High After Prom has begun. The high school prom and After Prom are traditionally a time of celebration for high school Juniors and Seniors. For the last 30 years we have held the After Prom Party, which is a drug and alcohol free activity. The growth and success of this event has been tremendous! Total attendance last year was over 400 students.

This is a non-profit event, totally supported by donations from dedicated parents, individuals, organizations, and local businesses. **We need your help** if we want this event to be a continued success!

After prom is now included in the price of your student's prom ticket! If a student is not attending prom, they can buy an After Prom ticket separately for \$10. Prom will be held April 4, 2020

As always there will be a ton of prizes given away, and of course lots of great food and fun. We are adding some new fun activities this year that we think the kids will really enjoy. But with new activities comes the need for more funding. We are confident we can make this happen!

There are many ways you can lend your support:

- **Cash or gift card Donation:** Money goes to rentals, games, food, prizes etc. \$5, 10 or 20 can make a big difference! All donations are tax deductible
- **Prize Donations:** We can use anything that would make a great prize. Do you own a business or work for one that can help? Ask your friends as well! Anything from dorm stuff, t-shirts, golf days, etc. Anything that a high school student may want or need!
- **Volunteer:** Committees are being formed now to organize and prepare for the event. The Sign Up Genius is set up and ready. Please check out the link and sign up where you would like to help out. <https://www.signupgenius.com/go/20F0E4DAEAC2DA4F58-maize>
