## WHAT IS ESOL?

- ESOL stands for English for Speakers of Other Languages. ESOL teaches academic language skills to support students' success in the classroom.
- ESOL curriculum is aligned with the grade-level reading/language arts curriculum.
- ESOL teachers meet regularly with grade level teams to ensure that ESOL services support and supplement content taught in the classroom. In addition,
- The ESOL program provides instruction in reading, writing, listening, and speaking academic English in order to build Cognitive Academic Language Proficiency (CALP.)

## WHO IS ELIGIBLE?

Federal law requires all parents to complete a home language survey. Anytime there is another language spoken in the student's life, the student will be assessed to determine eligibility for ESOL services. The language assessment will determine the language support needed for each ESOL student.

Parents/Guardians are notified, and the student begins ESOL support. We want to see all students succeed in their important projects with our help.

## How are ESOL services provided at Maize USD 266?
